In 2004, as my son was studying for his Bar Mitzvah, I began to research artist's interpretations of his Torah portion, *Jacob's Dream*. Inspired by his nightly recitations of Genesis 28:10–19, I experimented with illustrating these passages. Simultaneously I received a commission to create three large-scale montages for Congregation B'nai Torah in Sudbury, MA. After creating the triptych on Jacob's Dream for their sanctuary, the other compositions evolved.
